

Catholic Community of Manistee

During the Season of Advent, parishioners are invited to take part in The Giving Tree. Gift tags are made and placed on a tree at each of our churches. A tag is made for each resident of the Manistee County Medical Facility, for the Love INC families who we 'adopt' for Christmas, and for Toys for Tots.

Parishioners will then purchase the requested item, or an item of their choosing, and place the gift under The Giving Tree at one of our churches.

Each year we support The Giving Tree project in an attempt to make someone's Christmas a little bit brighter.
