

Ethan Lee Miller-Morehouse, age 28 of Manistee, left us on the 16th of February, 2023.

He was the son of Richard (Ann) Morehouse and Lora Miller. Ethan was a graduate from Manistee High School, and loved working for AJ's Tree Service and Northwest Electric.

Ethan had many interests. He loved video games, nature hikes, animals, cooking, and family. He could talk a mile a minute on nearly any subject and enjoyed conversational debate with anyone who would listen. His sly sense of humor often went unnoticed, until you would get a glimpse of that crooked smile he would give you. He will be missed by many.

He was survived by his father and stepmother Richard (Ann) Morehouse, two brothers Dylan Miller-Morehouse of Sarasota, FL and Joshua (Sara) Schubert of Manistee, nieces and nephew Penny, Heidi, and Clark. Grandparents Jon Trucks of Baldwin, Shirley Skiera of Manistee, and many aunts, uncles and cousins spread across the globe.

Ethan will be joining in death, his mother Lora Miller, grandparents Richard and Beverly Miller, Jacqueline Trucks, Richard Morehouse Sr. and Robert Skiera.

In lieu of a service at this time, there will be a celebration of Ethan's life this summer. Family will inform love ones and friends at a later date of time and place. Memorial contributions can be sent to the CFECC, Classic Ford Exploder Collectors Club.
