

Michael Allen Bromley, age 64, passed away May 9th at Medi Lodge of GTC where he had been a resident for the past two years.

He was preceded in death by a brother-in-law Ron Graf of Bear Lake and his dearest buddy Bill.

Michael was adventurous and loved the outdoors and spending time with his friends and family. His activities included camping out and grilling with his buddies, biking the trails of TC on his specialized trike, dirt bikes, snowmobiling and building model ships. Mike loved his family time and a good meal. Most of all, he loved the conversations shared during those moments.

Mike was a longtime employee of Thomson Pharmacy and Rehab and Mobility Systems of Traverse City where he worked directly with patients to provide customized wheelchair care. He also maintained and repaired equipment as needed. He loved helping his customers with their individual needs and often maintained quality relationships with them and the people he worked with.

Michael will always be remembered for his ability to create a purposeful life full of adventure in spite of the obstacles he was confronted with. He was strong willed, determined and a spirited role model for many.
